## THE PROJECT

Leybourne Urwin Ltd were appointed to carry out the Mechanical services installation for the refurbishment of this Heritage Grade I Listed Building which was originally constructed in the 12th Century. Whilst all the existing magnificent historical features remain the castle has been provided with a new build Scotland Wing Extension to enhance the visitors experience. In addition, the refurbishment has provided various art gallery's throughout to display priceless artwork. The castle now has a state-of-the-art café with all existing & new build areas being in keeping with the architectural history.
