CONSULTING ENGINEERS

THE PROJECT

Leybourne Urwin Ltd were appointed to carry out the Mechanical & Electrical services installation for the refurbishment of this heritage Grade II Listed Building which was originally constructed in 1907. As part of the refurbishment the adjacent redundant Fire Station was brought into the

Hippodrome and converted into a children's theatrical venue. There were also two extensions constructed the first being a new annex block encompassing the Hippodrome's dressing rooms facility and a café / bistro extension to attract and engage the public and community.
