THE PROJECT

Leybourne Urwin Ltd were appointed on a design & build basis to supply & install the Mechanical, Electrical & Plumbing services installation for this new BREEAM OUTSTANDING 25m swimming pool plus associated health Suite leisure centre & in addition to carry out the MEP services refurbishment of the existing two storey dry side facility which included a fitness suite, dance studios, sports hall, external change facilities and a customer service point, all serviced by bespoke modern wet & dry changing facilities. The new build swimming pool also provides the users with a breakout space to further enhance the experience through a large, glazed viewing platform.
